Those Present: Kenneth, Terry, Sally

Upcoming weekend Gospel read and reflections shared.

II. Formation Committee Update

A. Reporting back on any new information or directives

No new information at this time.

III. Confirmed Fall Programming

A. Update on Bible studies that have started

1. Jeff Cavins

The sessions are going well and there are no concerns or issues to address at this time. Sixty individuals originally signed up with 20 of those from a different parish. The 20 did break off to do this at their own parish since they had a big enough group. 40 individuals remain.

2. Little Rock

There are four groups presently meeting, two day groups and two evening groups, and a fifth group has decided to do Jeff Cavins.

B. Parish Mission

1. Volunteers needed!

Our committee is scheduled to help serve refreshments on Tuesday evening. So far, Shirley and Bob, Jane and Sally are volunteering. There was discussion to see if a small group could be formed based on the themes and direction of the parish mission.

IV. Additional Fall Programming To Be Discussed

A. Speaker Series/Theology on Thursdays

1. Suggestions/ideas

A. Jeff Cavins

No information at this time.

B. Others

Terry is going to see if Fr. Mark Pierce can come sometime in February. Sally is going to check in to other speakers: Michael Joncas, John Angotti, and speakers at St. Paul Monastery.

B. Small faith sharing groups

1. Continuing book club

2. Update about Ron Dalton and second facilitator

3. Fr. Bill's Bible Study for beginners

We would look at Fr. Bill being a facilitator not a teacher – discussion ensued as to use of parish priests as formal program teachers instead of general facilitators.

V. Additional Topics/Ideas

Ministry fair will take place the weekend of November 14-15. Our committee will need volunteers to staff our committee table.
