2. advertising

Terry has advertised in various ways for this event and we hope for a good turn out.

This did lead to a discussion on our ad in the bulletin for help with marketing/public relations.

Larry has not gotten any responses yet.

3. social time

Terry will ask Carol Landry for assistance with this. We will keep it simple

B. Volunteers

Larry will help with table set up. Terry, Kathy and Sally will be there before hand to assist Carol with the snacks. Sally and Jane will help with clean up afterwards.
