

The Space Race

Using “Impress” on the computer....make a slide presentation time line of the Space Race between USA and Russia

Slide One: Title Page (Title, Group Members, Class, Date, Teacher)

Slide Two/Three: Overview of the Space Race

Why the goal to go into space? (include words by Presidents - include picture and dates when include in web sites).

On Slides Four - Ten(or more if needed) make your own TIMELINE based on important space events from 1957-1972 from Russia and America include: (Be creative in design)

- Which Country (using flag to represent which)
- What was the event
- Date/Month/Year
- Pictures from Monumental missions/events (ie Sputnik, Apollo 1, Apollo 11 etc.)

Conclusion Slide: Historic mission/meaning of the Space Race during its time and today (your thoughts)
